

# PERSATUAN PERKHIDMATAN PALIATIF KUCHING ( KUCHING PALLIATIVE ASSOCIATION) (1960-SWK)

## Objectives of Kuching Palliative Association:

- To provide palliative care service in Sarawak irrespective of race, religion or creed
- To guide and support the relatives and carers of affected patients
- To support the palliative care service of the Ministry of Health Malaysia
- To create awareness of palliative care in the community
- To organize and provide training in palliative care to members of the Association, the medical and health profession and public
- To establish facilities for palliative care training and upgrading standard of service

PERSATUAN PERKHIDMATAN PALIATIF KUCHING  
( KUCHING PALLIATIVE ASSOCIATION)  
(1960-SWK)

Current Activities:

2012-2018: Jasmine House ( halfway house) for outstation patients & carers to reside while undergoing their chemo/radiotherapy treatments at SGH Kuching

2019 onwards: Conduct talk awareness/ visits to patients , await approvals from local Authorities & Ministries for the plan approval for construction of a halfway house
