

# Medical Camp – Empowering Community Through Giving

## Our Mission:

To enable everyone to have equal access to the most basic human rights in life.

## What We Do:

- Medical services in collaboration with dentists and doctors to the rural communities.
- Medication review and basic health education to the local communities.
- Giving out stationaries, school bags and essential food items to the impoverished families.
- Provide food aids to fire or flood disaster victims, as well communities affected by the recent pandemic.
- Donating PPEs and rehabilitation equipment to the frontliners in the healthcare facilities.
